

Japan and U. S. Is First Topic at N.W. Forum

Japanese official at first session of Arlington forum

"Japanese expansion, what it means to the United States" will be the subject of a meeting arranged by the Northwest Suburban Community Forum for September 19 at the Arlington Heights high school auditorium. Ever since 1931 Japan has been following a course of action which the United States has opposed. Events of the past few weeks have brought the two nations to the verge of head-on conflict.

The Northwest Suburban Community Forum, recently chartered for the purpose of promoting "fair and intelligent discussion of public affairs," has arranged for speakers to present both sides of this controversial question. Mr. Kihachiro Ohmori, consul-general for Japan in Chicago, has agreed to speak at the meeting of Friday, September 19. Relations between the two countries are in such a critical state that Mr. Ohmori reserved the right to cancel his part in the Forum meeting if an open diplomatic break should occur before that date. An American speaker long familiar with Far-Eastern matters will discuss the question from the American point of view. There will be ample opportunity after these men have spoken for the audience to ask questions.

This will be the first of a series of meetings to be presented throughout the coming fall and winter months by the Northwest Suburban Community Forum. Some will be lectures and others will be similar to the meeting scheduled for September 19. All will be on subjects of current interest and the Forum plans to secure speakers who are known to be authorities on the subjects chosen.

The annual Arlington Heights dental survey in the four elementary schools, will begin next Monday, Sept. 8, by the local dentist. Children who have had dental work done since June 15, will not be examined if they bring a slip from their family dentist indicating that all necessary dental work has been completed. Parents are welcome to be present during the examination, and in order to eliminate waiting, parents who wish to be present may have their children examined at once.

Dental survey starts Monday

Camp Grant car hits police auto

Officer Wm. Heinemann was a very much surprised policeman at 11:35 Tuesday night when a 1936 Chevrolet coach being driven by Fredrick C. Buck, of Camp Grant, hit the rear of the new police car. The officer was traveling north on State rd. and had stopped at the railroad crossing when the accident occurred.

Buck was intoxicated, according to statement of a local physician who made an examination shortly after the accident.

Mayor Goedke recently gave an order to local police to omit speeding arrests, but what can a cop do when the speeder insists upon being picked up.

Collecting chairs wins hobby praise in current magazine

The hobby of Mrs. John O'Toole, formerly Helen Matthei, of Palatine received unusual recognition in the September issue of "Hobbies—The Magazine for Collectors." Mrs. O'Toole's hobby is the collection of old chairs which she uses throughout her home.

A large illustration in the magazine shows the living room with children's and dolls' chairs, as well as the intermediate and larger sizes. Mrs. O'Toole selects her own upholstery fabric and chooses harmonious colors.

America First membership drive

A committee of thirty women are taking a membership drive in the interest of America First Committee. Mrs. Victor Behncke is chairman and Mrs. M. Allen and Mrs. Carl Granzin are assisting in organizing the group. Full details in next week's issue.

Des Plaines woman dozes with cigaret; dies of burns

Mrs. Esther Lagerhausen, 37 years old, was burned to death Monday in her home at 467 North Lee st., Des Plaines, when she apparently fell asleep while smoking a cigaret, and a daughter, Georgianna, as they returned home from the Soldiers' Field rodeo.

A neighbor, Mrs. A. C. Korsgard, 528 Des Plaines ave., told police she had called on Mrs. Lagerhausen shortly before her husband returned, but left immediately after finding her asleep in a chair. Police think the victim awakened, lit a cigaret, and fell asleep once more. The chair was smoldering and smoke pouring from the house when Lagerhausen came home.

An inquest Tuesday afternoon asserted the death accidental.

School board honors Mr. Baker

Mr. and Mrs. C. V. Baker were guests of honor at a farewell party on Friday evening when the members of the school board and their wives entertained them at a dinner party in the Empire room of the Palmer House. Following the dinner the group enjoyed the floor show and dancing.

Mr. and Mrs. Baker and daughter, Marjorie, leave this week-end for Boston, where Mr. Baker will reside while acting as school superintendent at Lincoln, Massachusetts, while working on his Doctor's Degree at Harvard.

Players named for Cub pack all-star game

The Arlington American Legion drum and bugle corps have been invited to participate in the ceremony before the all star game. All clubs of Pack 232 should report at Recreation Park this Saturday morning at 10 o'clock in full uniform for drill practice.

The All-Star softball game to be played at the Park Ridge playground Saturday evening, Sept. 13, at 8:00 o'clock will be between the championship team of Pack 202 of Park Ridge and the all-star team picked from the players of the other cub packs which participated in the summer soft ball program.

Alex Wagner and J. P. Davies are the coaches of the championship team of Pack 202. The members of the team are: William Owen, Neil Hardy, James Yardey, Roger Davies, William Heine, Jack Floerke, Richard Crout, Donald Milne, James O'Brien, Stanley Ruhlman, Robert Bledsoe, Clark Sterling, James Cagney, Richard Dorland, Robert Davis, James Lehan, Donald Prindle and Robert Peacock.

Camp at Dan Beard.

On the week-end of Saturday and Sunday, Sept. 13 and 14, a camping conference will be held for the scouts of the troops of the Northwest Suburban Council at Camp Dan Beard.

A special program will be held on Saturday evening, and C. M. Fennell, Deputy Regional Scout Executive will lead a discussion on the camping program and particularly as it applies to the troop.

The conference is particularly for the camping members of each troop committee and the council and district members of the committee on camping and activities. Supper Saturday evening and breakfast Sunday morning will be served without charge and it is expected that a large number of scouts will attend.

C. O. Nimitz Promoted
Friends of C. O. Nimitz, who was Scout Executive of the Northwest Suburban Council from 1929 to 1936 will be interested to learn that he has been promoted to serve as Deputy Regional Scout Executive of Region 7 (Illinois, Indiana, Michigan and Wisconsin) with headquarters in Chicago.

Since leaving the Northwest Suburban Council, Mr. Nimitz has served as Scout Executive of the Kishwaukee Council with headquarters at Anderson, Indiana where he has made an enviable record.

Mr. Nimitz and his family hope to make their home in Des Plaines where they formerly lived. Mr. Nimitz's duties on the Regional Staff will take him out in the field a good part of the time. Their many friends in this Council territory will be pleased to welcome him into his new field of Boy Scout work.

Sgt. John Firnbach is a granddad. That word Sgt. is a title that he bears as "desk man" at the police station, and John thinks that any title is none too good for the grandpaw of the little boy who was born Friday at the Elmhurst hospital to Mr. and Mrs. Johann, 103 Pine ave.

The stork made a second stop at the Elmhurst hospital for Arlington Heights parents. Mr. and Mrs. Walter Clausing are the parents of a bouncing daughter, born Tuesday.

Legion and Auxiliary Joint Installation

Merle Guild Post No. 208 of the American Legion and Merle Guild Unit No. 208 American Legion Auxiliary will hold a joint installation of officers Saturday evening at the new Legion home.

The new auxiliary officers are: President—Thelma Carroll. First Vice President—Camille Peroutka.

Second Vice President—Rosebud Penkava.
Treasurer—Fannie May.
Secretary—Bertha Teutsch.

Chaplain—Maude K. Parker. Historian—May Wisersky. Sergeant-at-Arms—Violet Reckert.

Eda Zimmerman, 9th Dist. Director will install the auxiliary assisted by Dorothea Neubauer as Sergeant-at-Arms.

Arlington Veterans picnic to be Sept. 14

Arlington Heights post No. 981 and its auxiliary will hold their annual picnic and dance Sunday, September 14 at Forest Hill Grove, on Higgins road, 1½ miles west of Arlington Heights road. There will be dancing, games and prizes. The VFW always gives their guests a good time and bigger plans than ever have been made for this year's event.

Mt. Prospect Lions Offer 'Biggest Show on Earth'

Thursday night, Sept. 11, the lights go on—tents are thrown open, air-conditioned—wheels start spinning, step right up, only a nickel, the 20th part of a dollar—The band starts playing, and plays on.

Mt. Prospect Lions 4th annual festival will be the big attraction for Northwest Cook County next week-end.

Here is the way "Carnival-Masters" Meeske and Hodge tell the story:

Rides galore—sideways, forwards, backwards, up and down, round and round, and where she stops—you take it.

Refreshments, red hots and hamburgers with or without hamburger.

Live Lions all over the place—in overalls.

Oodles of prizes every night for all the lucky people.

A Buick sedan for the lucky number. Have you got it? Get it!

Band music rendered by our own public school band, all little fellows and girls with big drums and horns. An added attraction

thrills and ahs to the intricate and lightning maneuvers of our own girl's troupe of baton twirlers—the very finest and sweetest in the world.

Along with the regular band, Art Minnichs Hungry Five will hit town Thursday night. We expect them to stay all four nights.

Sunday, spreading cheer, good-will and a carnival spirit. They won't have to go hungry either—hundreds and hundreds of hot dogs and hamburgers on hand to keep them going. Except maybe the Clowns they picked up, the hungrier he is, the funnier he gets. So, kiddies, don't feed him any peanuts.

Sunday afternoon is for the kiddies. Half price on any ride you can find. We'll have a BIG parade, "Parade of tanks" Bayonets? Tramp-tamp of boots? N-a-w!

The patter of tiny feet, our own little maternal misses behind doll buggies. Little hands that will rock cradles and rule the world. What a sight for world-weary eyes! Big buggies, little buggies, let's have a look at them all, folks. They're gonna be mighty proud.

For the fellows, a parade of pooches and pedigrees. The underdog and the aristocrat rubbing noses and smelling tails together—just as it should be in good old U. S. A.

Bring them all, boys, shaved or unshaved, fat or skinny, big or small, hungry or contented; whether you own them, borrow them, or just "pick them up." Everyone of them deserves recognition—this is a dog's life, anyhow.

Be very sure to visit the exhibit and contest of model airplanes built by our young aviation engineers. These are the minds and hands in which the future of American aviation is vested. They deserve our support and encouragement. Don't you think?

Folks, this is our party, our entertainment, for our benefit. Just like government by, for, and of, it can happen only here in good old U. S. A.

We'll be there. Will you? Well!

P.-T. A. and U.S.O. Benefit to be presented Friday

The Show of the Hour will be presented at the high school auditorium this Friday evening, September 5 at 8 o'clock. Headliners such as Harlan E. Tarbell, world known musician; Dare and Yates, acrobatic comedians; Earl Friedrichs and his orchestra; Ray Salzman, Jr., tap dancer and monologist; Billy Weismann, boy soloist; the Chicago Military Ballet of the Children's theatre, and many other talented artists, with Tommie Bartlett radio star, as Master of Ceremonies, will give their best to entertain the capacity crowd which is expected to fill the auditorium.

This all-star vaudeville show is sponsored by the Parent-Teacher Association of Arlington Heights, and after expense and budget money is taken out, the balance will be given to the U. S. O. While tickets are going fast, some are still available for this excellent performance and may be purchased by calling Mrs. Miller, phone 1393, Mrs. Heibrand, 756-J or Mrs. Luehring, 28. Adult tickets are 50c each and children and students 15c.

Home made candy will also be on sale at the show.

One of the high lights of the show will come when Gladys Sweetzer, interpretive dancer, will present a group of numbers at the Show of the Hour.

Firemen thank public for successful picnic

Arlington Heights firemen have added an excellent sum to their treasury as the result of the patronage accorded them at their annual picnic and dance Sunday and Monday. Chief John asks the firemen to express to the general public the appreciation of the firemen for the cooperation they received. Many tickets were purchased by friends of the department who were unable to attend. Others purchased entire books as an expression of their support to so worthy a cause. To these and all others the firemen say "Thank You."

Drum, bugle corps perform; enjoy Riverview rides

Amid showers of colored confetti, waving banners and flags, the Arlington Heights Junior Drum & Bugle Corps last week Wednesday participated in Riverview Park's third annual "Tournament of Music" in Chicago, a feature of the Park's 38th annual "Mardi Gras Carnival," now in progress.

The Arlington Heights organization was an important part of the huge, mile-long parade of colorful floats, displays and clowns, which thrilled spectators lining the Park's brilliantly lighted Midway.

According to contest judges the Drum and Bugle Corps made a commendable showing and compares favorably with other organizations appearing in the contest to date. The final judging will take place at Riverview during the final night's festivities, Sunday evening, September 7. The winners in the various classes will then be announced and trophies will be presented to the winning organizations at that time.

All participating members were guests of Riverview at the conclusion of the nightly parade, and were given complimentary ride booklets. Chairman Rippey in commenting on the park's contest said: "We are pleased to have been asked to participate in Riverview's 'Tournament of Music' and sincerely hope that our presentation was of prize-winning calibre. As far as I am concerned our gang has never played better nor with more enthusiasm than they did that evening. And from the comments I heard during our homeward trip everyone had a grand time enjoying Riverview's rides and attractions. I personally want to express my appreciation for my outfit during the Mardi Gras Carnival and thank Mr. Filigrasso, director of the tournament, for the courteous and gracious manner in which we were received."

Mechanized blitz hits Mt. Prospect

V. F. W., American Legion, Mens Club, and Fire Dept. Contestants in Modern Tug o' War.

Sunday afternoon, Sept. 14, at the Lions Carnival marks the scene of the final action of the four contestants in a modern, four-way tug of "steep" jaloopies, employing the latest in military equipment and strategy.

Expert military opinion is that the panzer divisions of the four contestants are the most evenly matched in the history of warfare. Lloyds of London will give no odds on the outcome.

In order not to complicate an already intricate military set-up, even the request to remain strictly isolationist, and stay out of range. Pick your winner and give them your all-out support—moral support only.

Children blame kitten for \$2,000 fire

Grandchildren of Mr. and Mrs. Florian Kozumplik, Center and Highland ave., Arlington Heights, used matches to hunt for a kitten that had hid in the barn Friday afternoon. Fire loss of nearly \$2,000 resulted without any fire insurance.

The firemen were called at five o'clock and remained until eight. The blaze started in the hay, was extinguished by water, but every forkful in the barn had to be moved to be certain that the fire did not break out again. Members of the fire company who visited the scene after supper, remained to pitch hay and when the roll call was taken, nearly all members of the department responded. The fire damage was confined to the barn and farm implements. The adjoining house received some water damage.

Society editor back on the job

The editor of the Arlington Heights Herald does not know if Mrs. Neal Graham is a baseball fan, but she has proven the past two months to the readers of the society pages that she is an excellent "pitch hitter". She took over the work of Mrs. Edith Atkinson and did a good job as society editor.

Mrs. Atkinson says that she is glad to get back on the job after two months vacation and the editor is glad to again hear her voice over the phone.

The society pages of the Herald depend in a large part on the cooperation of the general public. Please your stories to Mrs. Atkinson and you will help to make your local newspaper representative of the community.

Wheeling landmark destroyed by fire

One of the few remaining landmarks of Wheeling was badly damaged by fire when the Wheeling Feed Mill was turned into a raging inferno a few minutes after a gasoline torch exploded last Wednesday afternoon. Delver Dever, who assisted his brother-in-law, Henry Reeb, in operating the mill, was starting the engine when the torch exploded. He threw the torch from the building, but the burning gas had already done the mischief. Mr. Dever attempted to smother the flames with grain bags, but they spread so rapidly he was forced to flee for his life. The volunteer fire department responded promptly, but the entire building was already enveloped in flames. The firemen soon had the fire under control when they turned the four powerful streams of water onto the burning building. The building was badly charred throughout, and the Reeb's have not yet decided whether they will rebuild. The extent of the damage to the machinery, which included a valuable Diesel engine, has not yet been determined.

Order 50 Water Meters As a Defense Measure

After the Arlington Heights village board, as a defense measure, authorized the purchase of fifty water meters Monday evening, a letter was read from the manufacturers announcing an advance in price and the possible limiting of orders. The board hopes that water meters for Arlington Heights new homes will be considered of sufficient importance to obtain delivery.

\$65,000 Home Building for August

Paul Taege, building commissioner, reported to the board that August building permits for new homes totaled seven at an estimated cost of \$65,000; two garages, \$600; alterations \$1,800.

Advise Conservative Well Operation

American Well Works has advised Arlington Heights that operation of a pump above the capacity of water endangers the pump. In a report on the east well, the engineer found that it is a waste of electric current and water if an attempt is made to secure more than 80 gallons a minute. The drilling on the new well is down to 1,025 feet.

To Change Billing Date On Future Water Bills

In order to have water billing dates coincide with the fiscal year, Attorney Hugo J. Thal was directed to prepare an amendment ordinance changing dates for water payment to February, May, August and November. No change will be made for the October 1941 billing. February 1942 billing will cover four months.

Pay \$3,110.47 in Bills; Pay \$3,955 Tax Warrants

Bills and payroll totaling \$3,110.47 were passed for payment. The treasurer reported payment of \$3,955.25 for retirement of 1940 tax anticipation warrants and interest.

Liquor Store Seeks Location

The clerk read a letter from L. Laske, 11321 So. Michigan ave., Chicago asking if there were any restrictions regarding the opening of a liquor store in Arlington Heights. He will be advised "no, if the owner is a resident of the village."

Health Code, O. K.

Dr. Piszczek, Cook county health officer, has reviewed that part of the municipal code pertaining to control of sanitary conditions in Arlington Heights. "From the review we conclude," stated Dr. Piszczek, "that enforcement of the code would adequately control sanitation in the village." The county health department offers its service to the village whenever the need may arise.

Arlington Ready for Nazi Bombs

In response to a request received from the office of Civilian Defense in Washington, Fire Chief Richard Jahn has forwarded to the government a questionnaire giving the fire fighting equipment available in Arlington Heights for use in a case of national emergency, such as incendiary bombs.

Arlington Gets a Half Street

Friedrich st., between State rd. and Belmont, will become a regulation thoroughfare with the acceptance by the zoning commission and the village board of a dedication plate that has been prepared by W. T. Kellogg, owner of the acreage north of that street. The "half pint" condition of that street has long been a bothersome problem of previous boards and adjoining property owners. Mr. Kellogg is seeking connection with the municipal sewer for lots that he expects to sell.

Sewage Treatment Plant Under Fire

If it is not one thing it is another, says George Harris, engineer of Arlington Heights municipal treatment plant. He is continually on the alert to protect the plant from acid that comes through the

Ask annexation to Arlington

Bartlett Realty Association has made tentative inquiries regarding the annexation by Arlington Heights of a corner of Arlington Crest subdivision, the former Wilke farm, at the intersection of Wilke and Northwest highway. There are thirteen lots in the suggested annexation, all of which are located east of the Public Service Co. and south of Oakton st.

The realty company, frankly state that if the annexation is completed, it will ask the zoning of the property for business purposes. Bartlett Realty Association will be advised that the village board is not adverse to annexation proceedings provided existing ordinances are complied with. Included in such ordinances is a requirement of \$315 an acre for right to connect with existing sewer and water mains.

The property in question is in Palatine township, in the Arlington Heights high school district, but in Palatine village school district. Residents of Arlington Crest are asking Palatine public school board to provide a bus service for their children.

Golf leagues discard clubs in favor of dancing

Mt. Prospect Country club will be the scene of a gala party and dance Saturday night when the three golf leagues of Des Plaines, Mt. Prospect and Arlington Heights are holding their first annual affair at the club. The members, sponsors and their friends are gathering together, with Wally Hermes orchestra furnishing the music.

After a summer of league play the golfers are putting their sticks aside and making on more "friendly" terms. There has been keener rivalry among the teams and their positions were unusually close during the entire tournament.

sewer. Now he is awaiting a report from the state sanitary board to learn if insulation material that flies through the air is injurious to his "baby."

The Thermal-Tite manufacturing plant adjoins the treatment plant. At times the air carries small pieces of insulation material over the treatment works. Workmen are making extensive repairs about the plant, corking cracks and painting the various tanks, sledge beds and connecting chambers.

Will Revive Gas Service Station Ordinance

Attorney Thal has been asked to resurrect the ordinance originally drafted prohibiting establishment of gas service stations within a specified distance of existing stations. Des Plaines has such an ordinance. Mayor Goedke suggested that such action of the board would prevent the sale of "choice" corners for service station purposes by overzealous realtors.

Receive USO Report

Final report of the collection of USO funds prepared by Raymond Hayes, secretary of the local committee, was read and ordered placed on file. Chairman Griffith advised the board that an additional amount is expected from the "Show of the Hour" to be given at the high school Friday evening, if attendance meets the expectation of the sponsors.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 31.
The Golden Text was, "I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth" (Romans 1:16).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thomas saith unto him, Lord, we know not whether thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father but by me" (John 14:5, 6).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Is it not a species of infidelity to believe that so great a work as the Messiah's was done for himself or for God, who needed no help from Jesus' example to preserve the eternal harmony? But mortals did need this help, and Jesus pointed the way for them" (p. 494).

Camp Reinberg Season Closes

Readers of Paddock Publications have read a lot about Camp Reinberg during the 25 years that it has been in existence. Only a small percentage of them have probably visited the camp, but a majority of them will be interested in the nationalities of the underprivileged from the big city who made use of the facilities of the camp the past year.

Supt. Stanley O'Carroll presented an interesting report last Thursday evening following a dinner for officials of the county who were paying their annual visit to the camp that day.

Total guests of the camp during the past season numbered 2,651. Only seven per cent of these were of American nationality. There were more Germans than Americans and those of Irish descent numbered nearly 10 per cent. Italians and Polish were about equal. One third of the total were negroes. The nationality figures given by Mr. O'Carroll were:

Boys	777
Girls	654
Jr. Boys	254
Jr. Girls	210
Mothers	250
Babies	216
Total	2,361

Supt. O'Carroll gave some food figures that are also interesting. They show the task of food preparation that faces the cook and the amount that the food costs the county. The total operating budget for the camp is about \$22,000 per season.

Milk—5,923 gallons at 32 cents per gallon, \$1,895.36; average is 40 gallons of milk per meal for a group of 400 persons. The average per child per meal is 1 pint.

Bread—6,383 lbs. of bread at 5 cents per lb., \$319.15; 127,660 slices of bread have been eaten by the mothers and children to the end of the season, Aug. 30. About 40 lbs. per meal is the average, which is approximately 2 1/2 slices per meal per child.

Meat—Average amount of meat eaten by guests to date is 7 1/2 ounces per day. Meat is on the menu twice daily.

Jane Martens, William Salzman are married

Miss Jane Martens, daughter of Mr. Henry Martens of Arlington Heights, became the bride of Mr. William Salzman, son of Mr. and Mrs. R. E. Salzman of Mt. Prospect on Saturday afternoon, August 30, at 2 p. m. in the Presbyterian church of the village. Rev. Edwin Ira Stevens of the Baptist church of Mt. Prospect performed the nuptial rites in the absence of Rev. McCoy.

Ferns and white and bronze mums, banked the altar before which the young couple said their vows, and white and colored asters and white chiffon ribbons marked the aisle for the bridal party.

The bride given in marriage by her father, wore for her wedding the gown worn by her sister, Marcia Ruth, a year and a half ago, when she became the bride of John Schulenburg. It was fashioned of white faille with a train, its close fitting bodice trimmed with small white buttons of the same material, and its sleeves long and close fitting. She carried the bible, which had been given to her mother in 1896 by her grandmother and upon it she added the modern touch of white orchids. Her long net veil was held in place by a sweetheart halo.

Mrs. John Schulenburg served as the only attendant for her sister, and was gowned in peacock blue velvet and taffeta. The basque bodice of the gown was fashioned of velvet and the bouffant skirts was of taffeta. She wore lavender mums in her hair and carried large lavender and bronze and white mums.

Ray Salzman of Mt. Prospect served as best man for his brother and Mr. John Schulenburg of the village and Mr. Frank Owen a classmate of the groom's from Purdue served as ushers.

Mrs. James Groves played the bridal march and played Liebestrom softly throughout the wedding rites.

Immediately following the wedding a reception was held for seventy-five guests at the home of Mr. and Mrs. R. E. Salzman in Mt. Prospect. Mrs. Salzman presided in a gown of teal blue light weight wool and wore a corsage of gardenias.

The bride and groom both are graduates of the local high school and the groom graduated in June from Purdue University, in mechanical engineering course. He has accepted a position with the Combustion Engineering Company of New York City, where the young couple will make their home.

Jane has been employed at the Suburban cleaners in the village. Mrs. Salzman's going away costume was a brown wool suit trimmed in velvet with a blouse of rose beige. Her accessories were in deep brown. They left on Sunday evening for New York and will be at home in Jackson Heights, New York.

Guests who attended the wedding from a distance were Mrs. Martha Stevens and daughter, Martha Jane, from Lake Forest, Mr. and Mrs. J. A. Rahling and daughter, Jean, from Appleton, Wis., Mrs. Jean A. Salzman of Toledo, Iowa, Mr. and Mrs. Carter Jenkins of Springfield, Ill., Mr. John Edward of Oak Park, Mr. Frank Owens from Indiana, Mr. Dave Allen of New York, Mr. Charles Bradford of Milwaukee and Mr. Ray Simmons of Chicago, the last five named all classmates of Bill at Purdue.

HEALTH IS DEFENSE

By C. W. Lussman of Sieburg Pharmacy

The number of man hours lost each year due to accidents and to illness are many times greater than hours lost due to any other cause.

Health is defense, the most important factor in protection against any enemy, whether of foreign powers or of the onslaught of disease.

Protect yourself, your family, your friends and neighbors. Illness in one home may lead to infection of another. Good health becomes a patriotic duty.

Consult your doctor for advice. Select a trained druggist for medication.

'Putting the Garden to Sleep' is Club Topic; Flower Show is a Success

Arthur Jackson, horticulturalist of the Lincoln Park conservatory, will be the speaker at the first fall meeting of the Arlington Heights Garden club, to be held Wednesday night, September 10, at 8:00 o'clock in the North Side grade school. Mr. Jackson has been asked to return to talk again this fall because those who heard him speak when he was last in Arlington Heights were so much impressed, as he talks in language that the average gardener can understand. His talk next Thursday is to be entitled "Putting the Garden to Sleep."

Many local gardeners lost flowers and shrubs last winter because their gardens were not properly prepared for the winter. For this reason the program committee thought Mr. Jackson could be of real aid in covering the fall preparation for winter. He will also cover the question of fall planting of bulbs and perennials.

This meeting is open to anyone interested in gardening in Arlington Heights. After the program is completed there will be an opportunity for anyone with questions to bring them before the group for practical solutions.

Refreshments are to be served later in the evening, with Mrs. Parker and Mrs. Lane as hostesses.

A large gathering was present at the fall flower show which was held at the Adam residence. The prize winners were:

First prizes—Mrs. Chas. W. Bates, Mrs. N. M. Banta, Miss Gloria Gedeliga, Mrs. A. E. Meineke, Mrs. Robt. F. Palmer, Mrs. John Rais, Mrs. R. M. Ryan, Mrs. Robt. Saer, Mrs. J. M. Sommer, Mrs. H. J. Thal.

Second prizes—Mrs. N. M. Banta, Mrs. Martha Heiber, Mrs. E. A. Meineke.

Third prizes—Mrs. Geo. M. Adam, Miss Lillian Klusman, Mrs. Emma J. Schmidt.

Miss Mary Heller, who has been in New Mexico all summer, where she did Courier work, returned to Arlington Heights last week and has since gone to LaSalle, Ill., to resume her position in the high school there.

7th Dist. to study aid to defense at club institute

A district institute for presidents of all Womens clubs in the seventh district and for all district and club chairmen, has been called for Thursday, Sept. 18, by the seventh district president, Mrs. B. A. Noyes of Arlington Heights.

The meeting will be held in the Jefferson Park Congregational church at Giddings and London sts. in Chicago.

Mrs. Milton Meyer, vice president of the seventh district, and district chairman of chairmen will be in charge of the conference which will start at one p. m. with an open meeting for club presidents and local department chairmen, and will be followed by department conferences at 2:15 p. m., which will be held in separate rooms for district and local chairmen.

This meeting is considered one of the most important of the year by those in charge, for it will give splendid opportunity for local presidents and chairmen to become informed with the General Federation plan for aid to National Defense which is to be introduced into the departments this year.

All local chairmen are urged to attend this meeting.

Prenuptial shower for Ruth Hartman

Miss Ruth Hartman, who is to become the bride of Mr. Milio Stilo Sunday, September 7, was guest of honor at a bridal shower on Thursday evening, at the home of Mrs. Paul Patrick, when Mrs. Owen Baxter and Mrs. Gail Wrede were hostesses to a group of friends at a personal shower for the bride to be.

Mrs. Curtis Stout was an out of town guest.

Campfire girls to start activities soon

The Campfire girls of Arlington Heights are starting their year's activities practically with the beginning of school, the guardians calling for registration on Tuesday, Sept. 9. A guardian will be at the North school, the South school and the St. James at 3:30 to 4 o'clock on that day to register all girls interested in becoming a Campfire girl, and who are or will be ten years of age by February 1, 1942. Girls who have not been Campfire girls before will be placed with their own age group and given opportunity to make up rank. Girls who are interested in joining should register on time, as the program is arranged by the guardians with continuity in character development, and each meeting missed is a loss to the late comer. The membership fee which is sent to headquarters in Chicago, is

\$1.00 and is due at time of registration.

The service costume which all girls are required to wear, is a dark skirt, a white middie or blouse, and a black tie. This costume will be needed by January.

Each girl needs a Campfire book which costs 50c. Occasional parties require small fees, never amounting to more than 20c.

The Campfire organization in Arlington Heights is a live wire group sponsored by the local Parent-Teacher association and the Woman's club and the Campfire board, with Mrs. Paul Collins, its president.

ALL during the summer, young eyes have been resting. They have looked on a warm, sunlit world where they were needed not for study, but for guiding the actions of a young body.

But now the school bell calls them back to a big job. They must concentrate on close indoor work, night as well as day. Eye tissues, nerves and muscles must work hard to make up for lack of summer sunlight.

Keep faith with young eyes. If there are any defects in their vision, consult an eye specialist. But above all, give your children adequate, proper, safe light... for studying, working, reading, playing. See that the lamps they use give good light over a wide area... are correctly shaded to protect the eyes from glare.

Evelyn Helfvogt, Edward Karnatz rites solemnized

The St. Peter's Lutheran church of Arlington Heights was the scene of a lovely wedding Saturday afternoon, August 30, when Miss Evelyn Helfvogt, daughter of Mr. and Mrs. Louis Kleiner became the bride of Mr. Edward J. Karnatz, son of Mr. and Mrs. Henry Karnatz, of Des Plaines.

Rev. Fricke read the marriage ceremony at 4:30 p. m. before the church altar which was decorated for the occasion with palms, ferns and pink gladioli.

The bride, who was given in marriage by her father, wore for her wedding a gown of white satin fashioned with a long train. Its square neck line was trimmed with lace and the sleeves were long and close fitting. Her veil was also lace trimmed, and was held in place with a wreath of roses. Her brides' bouquet was of white roses and small white mums.

Ruth Kleiner, sister of the bride, served as maid of honor and Mrs. Harold Helfvogt served as bridesmaid, with Gladys Kleiner, sister of the bride, and Luverne Karnatz, sister of the groom, serving as junior bridesmaids. The maid of honor wore blue marquisette and the bridesmaid pink marquisette.

Their gowns were fashioned with full skirts, and the brides were dressed with square necklines, lace trimmed. They carried talisman and pink roses.

The junior bridesmaids wore dresses of blue organdy and carried talisman and pink rose buds. Best man for the groom was his brother, William Karnatz, of Des Plaines. Two other brothers, Henry and Raymond Karnatz, and a brother of the bride, Harold Helfvogt, served as ushers.

The mother of the bride and the mother of the groom were both gowned in navy crepe and wore corsages of pink roses.

Immediately following the wedding ceremony the bridal party and immediate relatives gathered at the Kleiner home where they were served a wedding dinner.

A wedding reception was held in the evening for one hundred and fifty guests at the home of the groom's parents in Des Plaines, where dancing was enjoyed to the music of Wally Hahnfeldt's orchestra.

The bride attended the local high school and since that time has been employed at the Benjamin Electric. The groom is employed by the Niederts Cartage Company of Des Plaines. The young couple will make their home at 1540 Park Place in Des Plaines.

Guests who attended the wedding from a distance were relatives from Beaver Dam, Clintonville and New London, Wis., and Buckley, Ill.

Arlington

Clubwomen, school children ready to undertake fall tasks

With the last summer holiday past the "date line," the good neighbors of the village have settled back to normal routine of fall and winter living.

Labor day week-end found many Arlington Heights families traveling homeward from summer vacations, or journeying forth for one last fling of summer fun.

Fond mothers kissed their small fry goodbye on Tuesday morning and sent them off to school, with thoughts of committee meetings, and fall activities flitting through their minds.

Within the next few weeks club organizations will again take up their work for the fall and winter, and vacation time will become a pleasant haunting memory.

Mr. and Mrs. August Stelling returned Saturday from a two weeks vacation spent in Mexico, proving that such a trip can be made by auto in the average vacation limit of most people. The Stellings visited Aca Pulco on the Pacific coast of Mexico, Mexico City and Taxco, as well as many other points of interest.

Other travelers to arrive home over the Labor Day week-end, were Mr. and Mrs. Walter Armstrong and daughter, who have been spending the past few weeks in Estes Park and other scenic points in Colorado. The Armstrongs returned by the way of the Black Hills, and stopped in Morris, Ill. for the Osman family reunion on Sunday.

Mr. and Mrs. Ross Richards and daughter, Barbara, who have been enjoying the last two and a half weeks at Sturgeon Bay in Door county returned to their home on South Mitchell on Monday evening. Mr. and Mrs. Marvin Boss and daughter, Jean, of Scarsdale, enjoyed the week-end with the Richards family in their lake cottage and returned home with them.

Miss Dorothy Noyes and Miss Miriam Noyes left Monday for their teaching positions in Ann Arbor and Three Rivers, Mich.

Mr. and Mrs. Ed. Pfingsten and family motored to Denver, Iowa, and Readlyn, Iowa, over the Labor day week-end, to visit with relatives.

Mr. and Mrs. Guy Baxter and son, Emery, also arrived home last week from a western vacation, which was enjoyed in and about Colorado Springs and Denver. Mr. Baxter left this week-end for a business trip of two weeks through the middle west.

Mr. and Mrs. O. G. Barrett and Jim and Barbara and Mrs. Noble Stephens, spent the holiday week-end in Addison, Mich., visiting with relatives.

Mr. and Mrs. Roy Lawbaugh and Laurel and Roger returned to the village last week, following a three week's vacation spent in Sheffield and Manning, Iowa.

Other Iowa visitors were Mr. and Mrs. Fred Utterback and family who spent several days visiting relatives in Signourney, Iowa and attended a session of the Iowa State Fair at Des Moines.

The Ray Atkinson family also returned from Marshalltown, Iowa on Labor day, where they had visited at the home of Mrs. Atkinson's mother, Mrs. R. S. Whitenack.

Mr. and Mrs. Bill Franke and daughters, Sandra and Marilyn spent several days last week, vacationing in Lansing, Michigan.

Mr. and Mrs. J. F. Manz and son, James, and daughter, Mrs. Dresser, motored to St. Louis, Missouri over the week-end, where James remained to serve this year as assistant vicar in the Mt. Calvary Lutheran church.

Mrs. Arthur McElhose and daughter, Virginia, left Saturday for a week's vacation in Reedsburg, Wis. Mr. and Mrs. Reuben Middleborn of Chicago came to spend Sunday with their father, Mr. Arthur McElhose in the family home.

We go to fires, too!

• Did you know that telephone men often ride to fires? Yes sir! And they're as anxious to get there as the firemen themselves.

Our purpose? ... To keep telephone lines working so your calls will go through, and to begin at once to repair any damage done to vital telephone equipment.

This is just another example of the many precautions we take to insure that your telephone service will be always dependable.

Every call you make is an URGENT one from our standpoint - whether it goes across the street or across the state.

It is the aim of every one of the 28,000 telephone people in the Illinois Bell area to make your telephone instantly helpful.

Firemen take two games from Lions in Bensenville series

by TOMMY KOZMANOFF

The Bensenville Firemen, paced by Pitcher John Pezia, gained double revenge for all previous defeats dealt for all previous seasons, the Lions, when they downed the Lions twice Labor day afternoon by 7-5 and 1-0 scores, playing 16-inch slow-pitching.

For no technical reason the first game went far into the ninth. At the end of the 9th inning both teams refused to listen to the headings of the score keeper, George ("Lefty") Boldebeck, that the game was officially over and that his fire-fighters had won, 7-5, so an extra frame was played.

Captain Boldebeck sent John Kirby, the head football and basketball coach at Bensenville high school, a last-minute inducted fireman, to the mound in the second inning to protect his nine's winning streak of one straight. The Lions claimed Kirby was twirling 'em so there is still a possibility that they will officially disclaim the defeat. Eugene Franzen, on the hill for the roaring Lions in both frames, had but one comment for the press: "Too many ringers."

Notable standouts both afield and at bat were Verry Franzen, Emil Millstrie, Alfred ("Sheik") Hinz, the chain grocery magnet, Eugene Franzen and Art Borg for the Lions with Johnny Pezia, Frank Born, Armen Korthauer, Bill Shebeck and Ervin ("Ki Ki Cuyler") Eickelman on the back-slapping end for the fireos.

Lion Captain Vern Franzen is dropping the challenge to a 1942 series with the "city series" champs in the mail this week.

Home run in 1st inning wins series final

by RAYMOND HAYES

The Gaare Studebakers scored two runs in the first inning Sunday evening when Mel Garms hit a home run behind a single by Dick Taegle. Those were enough to win the ball game and with it the 1941 championship. Heidorns were the losers, 2-0, in the sixth meeting of the two teams this year. Each team won three of those games, but Gaares took two of the three which made up the championship series.

Heidorns drew the ins and seemed on their way to victory almost before the crowd had settled to watch the game. Gay doubled when Taegle and Tossman let the ball drop between them. Carl Huber singled off Garms' glove as Mel made a desperate try for the ball. Frank Brodman lined to Bullitz at second and Huber was doubled by first. Wulbecker, batting clean-up, popped to Taegle in short center.

Taegle opened the action for Gaares by singling on the first pitch. Kehe flung deep to Huber in center and Taegle reached second on the out. Garms hit a mighty drive to right-center and Huber singled on a good relay to Doyle. Hertel singled on the first pitch but Steve Urlik fough off the attack as Sadecky popped to the infield and Tossman filed to left.

Ray Meyer singled with two gone in the second, but Urlik ended the inning with a line drive to Tossman. Kennie Koelling was the next Heidorn to get on base, surviving on Kehe's fumble to open the fifth. He stayed there while Milligan tried to Weisgerber, then was thrown out trying for second on Meyer's fly to Wolf in deep center. Charlie Nick singled with one gone in the sixth and was doubled when Doyle hit an easy liner to Hertel. That was the end of the Heidorn threat as the top of the batting order went down without a hit in the seventh.

In the second Bullitz hit one off Gay's glove and was forced by Wolf after Weisgerber had lined to Milligan. Hayes forced Wolf. Taegle and Kehe hit line singles with no one out in the third but Urlik made a show of the Gaare power by getting Garms, Hertel, and Sadecky on pop-ups. Tossman opened the fourth with a single and Wolf singled with two out. Brodman went into short right for Hayes' high fly. Urlik kept Gaares from getting on base in the last two innings.

Taegle with two hits and Garms with a home run were the best hitters for the winners. For Heidorns four hits were divided among as many players.

The records for the three games show Dick Taegle to be the leading hitter of the series with five hits in eight times at bat, or an average of .625. Gay was second best with three hits in six. Bullitz and Huber tied for third with three in seven. Hertel was tops in runs-batted-in with three. Milligan, Weisgerber and Garms tied for second with two each.

These two teams met six times during the current season and divided games. On their records there should be a co-championship. It was Gaares' good fortune to win two of their three games during the play-off series. In the six games Gaares scored totals of 16 runs, 33 hits, 13 errors, and 11 walks. Heidorns scored 14 runs, 38 hits, 12 errors, and 12 walks. Four Gaare players struck out while ten Heidorns were whiffed. It would be difficult to set up two better matched teams in any league.

Comedy co-stars

It's love and laugh time again, for the screen's most popular "Mr. and Mrs." are back in the funniest comedy hit ever scored by Wm. Powell and Myrna Loy. "Love Crazy" is the title of their latest co-starrer, and it opens Sunday on the Des Plaines screen.

Parkview Florals Musketeers lose to Red Wings

The home club was triumphant in both games played last week-end.

On Sunday the local boys defeated the Parkview Florals by a score of 5-1. Busse pitched good ball throughout the entire game and had easy sailing. Geo. Grossi caught a fine game.

On Monday the Red Wings beat the Chicago Musketeers in one of the most exciting games witnessed by the local fans this season.

The Musketeers have a young team and we should hear more about them next year. The score of 8-4 indicates the superiority of the Red Wings in this game.

Geo. Schaefer pitched a good game and also contributed a timely hit with the bases loaded. Bob Swaski also got a timely bingle. The team played a double win.

Next Sunday Glenview will play at Arlington. There will be games throughout the entire month of September. Be a Red Wing Booster.

Compose popular boogie tunes for navy comedy

Although boogie woogie music, which is featured in Universal's new comedy, Bud Abbott and Lou Costello and Dick Powell in "The Navy", had long been played in the deep South, it remained for three young songwriters - Don Raye, Hughie Prince and Gene de Paul - to bring it into nationwide popularity. Raye and Prince, who first won recognition with their hit num-

bers, "Rhumboogie," later brought the 21-year-old de Paul into the boogie composing field.

Raye and de Paul have written several new numbers for the service fun-film at the Palatine Theatre Sunday, Monday, Tuesday and Wednesday.

Convent to cockpit.

This was the strange turnabout life dealt Anne Nagel, who shares romantic honors with Richard Arlen in Universal's "Mutiny in the Arctic," which co-stars Andy Devine.

The film is also showing at the Palatine theatre Sunday, Monday, Tuesday, and Wednesday.

Miss Nagel was born Anna Dolan in Boston, and spent most of her girlhood in Notre Dame academy of Boston. But she became interested in theatricals, and eventually came to Hollywood.

In "Mutiny in the Arctic," the one-time convent girl plays an aviator who flies to the frozen north where death threatens her sweetheart.

Hypnotic Drugs Injure Child

Many mental injuries are being done to children at birth by the administration of hypnotic drugs during the mother's labor, Dr. Philip Barbour, former professor in the University of Louisville School of Medicine, recently stated.
